Jean-François Jamet is lecturer in European political economy at Sciences Po (Paris).

A graduate from Ecole Normale Supérieure (Paris School of Economics), Harvard University and Sciences-Po, he focuses his research on the European economy and European economic governance.

He previously worked at the World Bank and the European Commission. He is currently the Spokesperson and Vice-president of the Steering Committee of the NGO [EuropaNova](#).

He is the author of several books: *Europe: la dernière chance?* (with G. Klossa, Armand Colin, Europe Promotion Award 2012), *L'Europe peut-elle se passer d'un gouvernement économique?* (La Documentation française, 2nd edition, 2012) and *L'Europe d'après* (with T. Chopin and C. Lequesne, Lignes de Repères, 2012).
